

KEEPING YOUR INVENTORY AT OPTIMAL TEMPS

REDUCE FOOD SPOilage & LOSS

The cost of loss of chilled or frozen inventory due to equipment failure hits your bottom line hard. If it hasn't happened to you, it is likely to. MiSensors gives you the insight to possible equipment failure, buying you valuable time to act & save product. Our MiTag "Set It, Forget It" Multi-Sensor is optimized for commercial refrigeration monitoring keeping you informed when you need to be informed. The kicker is, we do more than just temperature and we do it all in one sensor.
